Co-Chair Report

Movie night is cancelled

Operating as if everything will be "back to normal" for May

\$7500 - Emergency Fund we would like to leave a budget of \$10k. How does this move forward to next year. Co-Chairs are managing it but perhaps it needs a dedicated exec position.

School Supplies list will be needed for Editions Vaudreuil for May from the teachers.

Mabel's Labels is still running, when we head back- perhaps that is the time to remind the parent body.

Teacher Appreciation was a huge success as was Bookfair! Huge thanks to everyone involved! Geography Challenge went well, perhaps that will take place when we get back.

Perhaps like the shamrock campaign this week, in week or two perhaps we could do a Willingdon solidarity movement. Perhaps the yellow sunflower?

Grad Committee Report

We have raised the funds but at this point, we are unsure what will happen.

Event contracts usually 50% cancellation- we have to look into that. Going forward with Yearbook planning and production.

Book Fair

Did well, set aside books for Christmas baskets.

Note for next year: People need to bring their own shopping bags!

insert book sale figures

Depot Funds Drive

Perhaps a funds drive in connection with a solidarity movement (as mentioned above) during the shutdown. They are in great need! If school is still out we try and run a funds drive at the projected drive in April. Follow up with Nadine. (Kristin can also help!)

Movie night in April: Cancelled

Cabaret: What are the available dates later in May at the Hive. This event funds the Family Emergency Basket. We would need about \$2500 more to leave the account in good place for next year. The cancellation policy will need to be checked. Perhaps look at other ways to raise funds for Emergency Basket. Scouts - fall bulbs sale? Perhaps also could be made up in the fall

Some parents have reached out to help emergency basket families, we can coordinate between those people.

Boohoo-Woohoo Coordinator

Margo! Perhaps with a partner?

Fun Fair

Budget approval to come; Final decision to be made May 5th.

Write in terms of moving dates or being flexible for other events.
